Re: The open procedure for delivery of the for manufacturing low-dimension structures with atomic layer deposition technology ALD (Atomic Layer Deposition).

With regard to the following question:

Will the Awarding Entity accept solution offered by our company as equivalent and fulfilling requirements introduced in the Terms of Reference?

we inform that according to article 38 paragraph 1 of the Act of the Public Procurement Law of January 29, 2004 (with later changes), the Contractor may request the Awarding Entity to explain the contents of the Terms of Reference. Because the question regards compliance of the prepared by you offer with the contents of the Terms of Reference, the answer will be possible only after opening the tenders.
