The Institute of Electron Technology informs that the close examination of the offers submitted in the course of the open tendering procedure for the **delivery of the grating spectrometer – component of work station for testing infrared emitters and detectors**, has led to the selection of the offer presented by COMEF Aparatura Naukowo-Badawcza, 40-750 Katowice, ul. Kalinowa 41, Poland, which was the only offer fulfilling the requirements.

The Tenderer can protect his rights to protest and appeal according to section VI of the Act of Public Procurement.
