The Institute of Electron Technology informs that the close examination of the offers submitted in the course of the open tendering procedure for the delivery of the **(RIE/ICP) platform for dielectric and polymer etching**, has led to the selection of the offer presented by KARIA Sp. z o.o., ul. Pasteura 5A, 02-093 Warszawa, Poland, which was the only offer fulfilling the requirements.

The Tenderers can protect their rights according to section VI “Legal Protection Measures” of the Act of Public Procurement.
