Warsaw, 15.09.2010

The Institute of Electron Technology informs that the close examination of the offers submitted in the course of the open tendering procedure for the **delivery of the detector characterization system with capacitance meter and current adapter**, has led to the selection of the offer presented by **Semilab Zrt, Prielle Kornelia u 2, H-1117 Budapest, Hungary**, which was the only offer fulfilling the requirements.

Michał Urbański
