

DKZ/90/2010

Warsaw, 03.12.2010

The Institute of Electron Technology informs that the close examination of the offers submitted in the course of the open tendering procedure for the **delivery of the polisher for substrates**, has led to the selection of the offer presented by **ClassOne Equipment Inc. Lerchenring 9, 15299 Muellrose, Germany**, which was the only offer fulfilling the requirements.
