Warsaw, 06.12.2011

The Institute of Electron Technology informs that the close examination of the offers submitted in the course of the open tendering procedure for **delivery of the system for aluminium and metal alloy films deposition by sputtering technique** has resulted in the selection of the offer presented by **KARIA Sp. z o.o., ul. Pasteura 5A, 02-093 Warsaw, Poland**, which was the only offer fulfilling the requirements.
