Warsaw, 28.03.2011

The Institute of Electron Technology informs that the contract award procedure **for delivery of the apparatus for measurement of current-voltage characteristics** has been cancelled, because the price of the tender with the lowest price exceeds the amount which the awarding entity is going to allocate to finance the contract.

The law base of cancellation: article 93 paragraph 1 item 4 of the Public Procurement Law of January 29, 2004 (with later changes).
