The Institute of Electron Technology informs that the close examination of the offers submitted in the course of the open tendering procedure for **delivery of the sputtering targets**, for performing the object of the order including **three parts** has been cancelled, because the price of the tender with the lowest price exceeds the amount which the awarding entity is going to allocate to finance the contract.

The law base of cancellation: article 93 paragraph 1 item 4 of the Public Procurement Law of January 29, 2004 (with later changes).
