

DKZ/35/2011

Warsaw, 06.06.2010

The Institute of Electron Technology informs that the close examination of the offers submitted in the course of the open tendering procedure for the **delivery of the apparatus for measurement of current – voltage characteristics**, has led to the selection of the offer presented by **COMEF Aparatura Naukowo – Badawcza Andrzej Wisniewski, ul. Gdańska 2, 40-719 Katowice**, which was the only offer fulfilling the requirements.
