Re: The open procedure for delivery of the optical microscope.

With regard to the following questions:

1. *Do you allow to offer condenser with working distance $WD=8,6$ mm and numerical aperture $NA=0,8$?*
2. *Do you allow to offer the lenses with comparable or better parameters:*
 - $5x/NA=0.1/WD=15mm$
 - $10x/NA=0.25 /WD=6,5mm$,
 - $20x/NA=0.50 /WD=2,0mm$ lub $20x/NA=0.40 /WD=3,2mm$,
 - $50x/NA=0.8 /WD=0.58mm$,
 - $100x/NA=0.9 /WD=0.31mm$,
 - $150x/NA=0.95/WD=020,mm$?
3. *Will you accept the correction ring in dioptr ± 5 built in eyepieces, instead of tube?*
4. *Will you accept the tube with built-in light split eyepieces/phototubes in ratio 100%/0%, 30%/70%, 0%/100%?*
5. *Can four-step magnification changer have the magnification: 1x/1,25x/1,6x/2,5x?*
6. *Will you accept the table with more precise rack moving system and rotation up to 240°?*

we inform that, the Awarding Entity does not allow for any changes of the Terms of Reference.
